

Dodd-Frank Rulemaking Tracker

Slogging through the 900 pages that make up the Dodd-Frank Act?
You need lots of time and patience.

Trying to keep pace with federal agencies' implementation of that Act?
All you need is Knowledge Mosaic.

For those who need to keep up with the torrent of rulemaking generated by the passage of the **Dodd-Frank Act**, **Knowledge Mosaic** offers the most comprehensive such tool available.

And it's included as part of your **Knowledge Mosaic** license.

This flexible tool gives you the power to:

- Find **rulemaking by corresponding reference** within the Dodd-Frank Act itself (Title, and Section if applicable)
- Further specify by **action type** (final rule, proposed rule, study, etc.), **agency**, or **topic** (current list below)
- Limit by **date** or **date range** for the following:
 - Release date
 - Comment period end date
 - Effective date
 - Compliance date
